Yes No If Yes, explain: The State Board of Health anticipates restrictions imposed by the 2009 Legislature on the implementation of new or amended school facility rules will continue through June 2013.

Purpose: This filing delays the effective date of new sections of Chapter 246-366 WAC, Primary and Secondary Schools, and Chapter 246-366A WAC, Environmental Health and Safety Standards for Primary and Secondary Schools, by two years because of anticipated state budget shortfalls in the 2011-2013 biennium and previous legislative direction. FILING NOTE

New sections of Chapter 246-366 WAC, Primary and Secondary Schools, and new Chapter 246-366A WAC, Environmental Health and Safety Standards for Primary and Secondary Schools, were adopted by the State Board of Health on August 12, 2009. The Board filed a rule-making order, WSR 10-01-174, on December 22, 2009, setting the effective date for the new rules as July 1, 2010. On March 10, 2010, the Board voted to file an amended rule-making order to change the effective date of these new rules to July 1, 2011. The rule-making order was filed as WSR 10-12-018 on May 21, 2010. On April 13, 2011, the Board again considered the need to match resources and capacity to be able to implement the rules as intended. The Board voted on April 13 to file an amended rule-making order to delay the effective date of the new rules another two years to July 1, 2013.
