

David DeLong joined the Board in October, 2014, as a health policy advisor.

David has a diverse background in Environmental Health Programs and is a registered Sanitarian in the State of Washington. He has most recently served as the Water Recreation Program Supervisor at the Department of Health where he worked to prevent drowning, injury and illness in aquatic venues.

Previously, David served at Tacoma-Pierce County Health Department, where he gained experience at all levels of regulatory work from facility inspections, education and enforcement to program management, policy/procedure creation and rule development. David's 25 years at Tacoma-Pierce afforded him the opportunity to work in a wide range of environmental health programs including: Water Recreation, School Safety and Health, Food Safety, Zoonotic Disease, Noise Control and Summer Camp Safety.

David holds a Bachelor of Arts degree in biology from Pacific Lutheran University.
