

STATE OF WASHINGTON
DEPARTMENT OF HEALTH
Olympia, Washington 98504

December 30, 2015

Michelle Davis
State Board of Health
101 Israel Road
Tumwater, WA 98501

Dear Michelle,

As you know, I will be retiring at the end of January 2016. My last day with the Department is January 31, 2016. I have attached the retirement announcement I sent out in the beginning of December 2015, to provide more background to this letter.

I have enjoyed working for the Board and now look forward to pursuing other interests. I am particularly proud of the following projects I led or worked on collaboratively.

- Community/School Food, Fitness, and Our Kids Forums
- Each Student Successful Summit
- Research Review: School-based health Interventions and Academic Achievement
- Criteria for Reviewing Antigens for Potential Rule Inclusion
- Process to Evaluate Conditions for Inclusion in the Required Newborn Screening Panel
- Recommended Strategies to Improve the Oral Health of Washington Residents
- A workshop leading to an overview of agency oral health activities
- Two community oral health symposiums

Along the way, I have worked with some of Washington state's brightest, most dedicated professionals. It has been gratifying and a pleasure to work in partnership with such people. I wish board members every success as they grapple with complex issues and make important decisions affecting the health and well-being of Washingtonians.

With very best wishes,

Ann Tara Wolff
