~ Optional ~

Please consider completing this optional section, which will give the Board a sense of why this review has been requested.

**NOTE:** When conducting a health impact review, the Washington State Board of Health will consider various ways that a proposal might exacerbate or ameliorate health disparities. Completing this section will give the Board a head start by helping it understand the reasons why a review is being requested.

Briefly describe how you think the proposal might impact health disparities and whether you believe the impact will be in a positive or negative direction.

Are there specific organizations or community groups you would like the Board to contact as part of this review if time allows?
