**Date:** November 13, 2024

**To:** Washington State Board of Health Members

**From:** Kate Dean, Board Member

**Subject:** Petition for Rulemaking [WAC 246-290-220](#), Drinking Water Materials and Additives – Possible Action

## Background and Summary:

The Administrative Procedure Act ([RCW 34.05.330](#)) allows any person to petition a state agency for the adoption, amendment, or repeal of any rule. Upon receipt of a petition, the agency has sixty days to either (1) deny the petition in writing, stating the reasons and, as appropriate, offer other means for addressing the concerns raised by the petitioner, or (2) accept the petition and initiate rulemaking.

On October 3, 2024, the State Board of Health (Board) received a petition from Washington Action for Safe Water and Bill Osmunson, DDS MPH. The petitioners request the Board consider amending WAC 246-290-220, Drinking Water Materials and Additives, within the Group A Public Water Supplies rules.

The Board has the authority under RCW 43.20.050 to adopt rules for Group A public water systems as defined in RCW 70A.125.010. Chapter 246-290 WAC establishes the standards for these water systems related to their design, construction, sampling, management, maintenance, and operation practices. The purpose of these rules is to define basic regulatory requirements and to protect the health of consumers using public drinking water supplies.

The petitioners request that The Board amend [WAC 246-290-220](#) to include a new subsection related to water fluoridation that states either of the following:

- The Board of Health does not recommend adding fluoridation chemicals to water with the intent to treat humans or animals; or
- In keeping with the Federal Safe Drinking Water Standards, the Board of Health does not recommend chemicals, including fluoride compounds, be added to the water with the intent to treat or prevent disease in humans or animals.

The petitioner included attachments to support the request, located in the Board materials. Shay Bauman, Board Staff, will present the Board Members with information related to the petition and recommendations.
